

# WOW's Aria Sing Program

A great way to get ready for upcoming auditions!

Try out new repertoire, gain practical performing experience, refine performance technique, prepare for auditions, or just network and get to know other singers in the area.

Singers bring 1 or 2 selections of music from opera, operetta, musical theater, oratorio, etc. (totaling 10 minutes or less in length) and perform audition style. A \$10 contribution per singer helps to defray the cost of our professional accompanist, Olga Rogach. *In January 2010 seven singers came together for our first aria sing of the season. We had a wonderful variety of singers and pieces ranging from art songs to Verdi arias.*

Aria Sings are conducted monthly in an atmosphere of support and encouragement, and we invite any professionally trained singer and seriously studying amateurs to take part. Non-singing audience members are welcome to attend free of charge.
